DECLARATION OF ALAN R. LOUDERMILK

I, Alan R. Loudermilk, am the patent attorney prosecuting this reissue application on behalf of the Applicants.

This declaration is provided to explain that I have made a diligent effort in finding Ms. Geetha N. K. Rangan. She is no longer employed with the former assignee of the patent that is being reissued, and her last known address is: 1642 Meadowlark Lane, Sunnyvale, California 94087. After several months, we were able to locate her in India, and we forwarded the reissue application (specification, claims, drawings, and declaration) to her there. When we last spoke to her on the telephone earlier this week (she is still in India), she stated that she had reviewed the reissue application, signed the Declaration, and was sending it directly to my office.

Unfortunately, I have not yet received the signed Declaration, though I expect to receive it any day as she assured me. Upon receipt, the Declaration shall be promptly forwarded to the Patent and Trademark Office.

The Assistant Commission will find enclosed the Declarations executed by the remaining co-inventors.

I declare that all statements made herein of my knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the reissue application or any patent issued thereon.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'A. Loudermilk', written in a cursive style.
